

## H.A.R.T.'S SPONSORSHIP PROGRAM

The purpose of the sponsorship program is to match caring sponsors with our resident cats. This is a great opportunity to support the shelter and have a direct impact on the lives of our cats who consider the shelter to be their "home" while they await adoption. There are approximately 120 cats in residence at the shelter and they are wonderfully unique in personality, breed, and color!

Individuals, families, friends, or even a classroom of students may sponsor a feline friend. We will choose a cat for you unless you personally have a favorite. All proceeds go to providing food, medicine, veterinary care, cat litter, grooming tools, and daily care including a warm, safe, comfortable place for your sponsored cat to live.

Sponsorship is available for either \$15.00 per month or \$150.00 per year. If you choose to pay by the month, we have provided you with monthly coupons to mail with your check.

You will receive a packet including a photo and profile of your sponsored cat, as well as important information about our shelter. If you aren't already receiving one, we will put you on our mailing list to receive our newsletter to keep you up-to-date on the latest news. HART also encourages sponsors to contact the shelter to schedule a visit with your pet. When your sponsored cat becomes adopted, we will notify you and arrange for sponsorship of another cat.
